There are at least 19 of each title in the South Australian library system. It is recommended that at the beginning of the year, members engage the help of their local librarian to reserve every title and suspend the reservation until 5 weeks before the discussion date. Through this method, members should receive a copy by 3 weeks before the discussion date.

Each meeting a member takes responsibility for providing a concise background on the author. They may also provide a summary of key points in critical response to the work, and questions to stimulate discussion.
